The young adults will be starting a six-week study called Good Boundaries and Goodbyes by Lysa Terkeurst.

- Is it unloving or selfish to set a boundary?
- Are Christians ever called to walk away from a relationship that is no longer safe or sustainable?

We're going to dive into Godly boundaries that can save and sustain Godly relationships. If you are in conflict or a relational turmoil, the truths we learn in this series will benefit you now and later.
